Step 3: Register for a Course, Individual Module, or Webinar

Once you have decided on the career path that best suits you, it is time to register!

For this example, we will be using the Contractor Career Path:

1. Choose the Contractor category on any of the three links as explained in Step 2. Once there, you will see the page as seen in Figure 1.
2. Using the Contractor Career Path, determine which level of education you are looking for:
 - **Beginner:** Boot Camp
 - **Certified Installer:** Concrete Paver Installer Course (Certification available)
 - **Specialist:** Residential Specialist, Commercial Specialist, or PICP Specialist Course (Designation Available)
 - **Professional:** Residential or Commercial Business Course (available in October 2019)
3. Choose the course you would like to attend by clicking on one of the education boxes on the bottom of the page OR by clicking the links in the paragraph on the right under the coordinating description.
4. Each level of education will have a coordinating page to give you more information about the course content, cost and more.
