

Step 5: Accessing Your Completed Education Records and Test Scores

1. Going back to your Dashboard, which can be found in the left-side menu, you will find records of all online ICPI education you have attended.
2. You can search for your online education history with the drop-down option, the Advanced Search or the full list on your dashboard.
3. To find your quiz and test scores for webinars, modules, and online full courses, click “Transcript/Achievements” at the top of the page.

My Dashboard

4. On the Transcript/Achievements page, you can:
 - Download a PDF of your online course history
 - See the Continuing education hour value for each course
 - See final score on full courses, webinars, and individual modules
 - View/Print your Record of Attendance Certificate
