Step 2: Search for Education

The screenshot shows the website's navigation bar with categories: PAVING SYSTEMS, PROJECT PROFILES, RESOURCE LIBRARY, EDUCATION & CERTIFICATION, EVENTS, and NEWSROOM. On the left, the 'Concrete Paver Education Center' menu is visible, with 'Home', 'Recommended For You', and 'Search By Career Path' circled in red. A red arrow points to the 'Home' link. The main content area features a welcome message and four career path tiles: Contractors/Installers, Designers, Sales Professionals, and Owners & Government Officials. Each tile includes a representative image and a 'Learn More' button.

You are now ready to search for courses! There are multiple ways to access courses specifically geared towards your career path.

- 1. On the Home Page:** Click “Home” in the left-side menu. You will see options for Contractors/Installers, Designers (Professionals and Students), Sales Professionals, and Owners & Government Officials. Click on the category that best fits you to find webinars, online learning and upcoming in-person courses.
- 2. Search by Career Path:** Click “Search by Career Path” to activate a drop-down menu of the five major career categories listed above. Click on the category that best fits you to find webinars, online learning and upcoming in-person courses.
- 3. Recommended For You:** Click “Recommended For You” to find education suggestions based on the personal interest categories you filled out on your profile.

Each career path has a unique page designed to guide you through the education courses and resources specifically designed for your career.
